### Trillium Creek Dermatology & Surgery Center

Few places in the country offer the quality care, innovation and state-of-the-art procedures that are available at Trillium Creek Dermatology and Surgery Center. Through our integrative medicine approach, Trillium Creek Dermatology is your solution for any skin concern, as we offer world-class general dermatology, dermatologic surgery, laser surgery, cosmetic dermatology, skin cancer treatment, Mohs surgery and holistic medicine.

If you are suffering from any skin condition, our dermatologists can work with you to determine the correct plan of action to treat your condition so that your skin once again looks its best. Certified by the American Board of Dermatology and with more than three decades of experience, we are completely dedicated to the satisfaction of our clients.

Along with the new Wadsworth office, Trillium Creek is conveniently located in Medina and Wooster, so you can get fast results for every skin condition with the Skin Experts.

### H&H Science

H&H Science features a world class selection of medical-grade skin care products, botanical-based hair care products, mineral makeup, beauty accessories and skin care tools. Our wide variety of products address every skin type and skin concern. At H&H Science, we strive to offer the best beauty products with the highest quality ingredients. Our goal is to continually provide solutions for hair and skin concerns.

H&H Science products are dermatologist tested and approved, Ph balanced, cruelty free, chemical paraben free, non-comedogenic, medical-grade, made in the USA, and distributed locally by a family-owned business. Every H&H Science product has been hand-selected by co-founders – Helen Torok, MD, dermatologist, and Heather Funk, MBA, beauty skin care expert.
