Trillium Creek Dermatology & Surgery Center Sponsors 2019 Medina County School's Bike to School Challenge

MEDINA, OH – During the weeks of May 6-10 and May 13-17, 2019, Trillium Creek Dermatology & Surgery Center helped support Medina County School's "Bike to School Challenge," by helping fund prizes for the students who completed at least four days of riding their bike to school during their school's allotted week.

Medina County Schools joined the "Bike to School Challenge" in 2012, with only two participating schools, and since then have grown to a total of nine schools – A.I Root, Clagget Middle School, Eliza Northrop H.G. Blake Ralph Waite, Sidney Fenn, Ella Canavan, Garfield, and Heritage Elementary Schools.

The "Bike to School Challenge" uses daily bike counts to gauge the participation of students. Records show that less than 15% of the national average students bike or walk to school. Their goal is promote healthy, active lifestyles for young people, and to change this national average. "It is a great way to get the students and their families involved in promoting health and wellness around the school district and community." – Amy Busby, Director, Community Relations.

With Trillium Creek Dermatology & Surgery Center's sponsorship, Medina County Schools is able to continue helping these students to learn and live healthy lifestyles in the community.
