

Job Title: Dermatopathologist
Company: Trillium Creek Dermatology
Location: Medina, Ohio

Job Description:

Trillium Creek Dermatology is seeking a dermatopathologist.

Trillium Creek Dermatology is a family-owned and operated business started by Drs. Helen and Leonard Torok, who have been serving our community for over 45 years. As such, we appreciate the family work-life balance. All providers have support staff. We specialize in hair, nail, and skin disorders, along with over 140 employees, and growing, we treated almost 100,000 patients in 2025 and have practices located in Brunswick, Medina, Strongsville, Wadsworth, and Wooster, Ohio.

[The Dermatology Center](#) is headed by Dr. Helen Torok. The Center offers treatments for all skin conditions including acne, psoriasis, allergies, eczema, bacterial infections, ringworm, hives, rosacea, nail diseases, hair disorders and more. Cosmetically, we offer skin improvement procedures including anti-aging treatments, facial rejuvenation, laser rejuvenation, laser hair removal, hand rejuvenation, lip enhancement, spider vein removal and other state-of-the-art aesthetic enhancement procedures.

[The Mohs Skin Cancer Center](#), headed by Dr. Bryan Baillis, offers state-of-the-art treatment for two of the most common forms of skin cancer: basal cell carcinoma and squamous cell carcinoma. Mohs micrographic surgery performed by the Trillium Creek Dermatology staff is highly effective — even if the skin cancer has been previously treated.

Our current roster of Providers includes Dr. Helen Torok, Dr. Wyatt Andrasik, Dr. Bryan Baillis, Dr. Selena Pasadyn, Dr. Matthew Reedy, Emily Barker, PA-C, Gabriella Furfari, PA-C, Jordan Goad, PA-C, Amanda Graf, PA-C, Gabrielle Harding, PA-C, Francine Johns, PA-C, Clara O'Malley, PA-C, Monica Alexis, RN, Michelle Koenig, RN, Megan Heiby, RN, and Michelle Telloni, RN. Dr. Joshua Weaver is our onsite Dermatopathologist.

Practice highlights include:

Part-Time

The salary is based on a dollar amount per slide.
